### About our dive charters:

- All dives are rated for Advanced Open Water Divers only, unless marked as OW in site list. We offer [the PADI Advanced Open Water Diver course](#) many times over the summer. Proof of certification is required.
- All charters are 2 tank dives unless otherwise specified. You must bring your own dive gear and tanks, which are available for rental from Action Scuba.
- Each diver must have their own dive computer, which are also available for rental from Action Scuba.
- Reservations are always required. Contact Action Scuba to book your spot. As spots are in high demand, cancellations must be made at least 72 hours in advance or else the full dive charter fee will apply. Exceptions may be made for genuine medical issues.

- We reserve the right to change the dive site or cancel outings due to weather or water conditions.
